

To whom it may concern

Tuttlingen, in March 2026

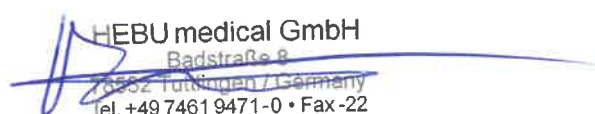

Declaration of Quality

For our high-quality instruments we use only German Steel conforming to
DIN 96298-1:2016-10, DIN 96298-2:2016-10, DIN 96298-3:2017-10,
DIN EN ISO 13402:2025-07, DIN EN ISO 7153- 1:2017-02,
ISO 7151, ISO 7741, ISO 5194-2, DIN EN ISO 6508, ASTM F899,
ASTM A380-06 and ASTM A967 / A967M -2017.

Whereby we fulfil even higher requirements than those stipulated in the standards by
our own delimitation of the analysis values and the permissible structural condition.

By doing this, we improve the mechanical properties and the corrosion resistance of our
instruments, also all our reusable Instruments are conforming with ISO 17664-1:2021
and ISO15883-1, -2, -3, -4, -5 (reprocessing). In our own material testing laboratory,
equipped with the most modern testing equipment (chemical analysis, scanning
electronic microscope, autoclave-test etc.) we test and monitor every batch of raw
material we receive, thus ensuring that only absolutely perfect material is employed in
our production.

We also guarantee a 100% traceability of each charge of raw material in case of any
complaints.
